Descripción

El Management es un Imperio difuso: en esto reside su fuerza. Legiones de poderes en red volatilizan a las formas incapaces de competir. La Globalización-Mundialización pareció ser la última etapa en la occidentalización del planeta, con la folclorización de culturas que todavía resisten y el alineamiento de los individuos según la maqueta euroamericana. Pero algo se endurece en las relaciones mundiales, algo guerrero que desborda a la tecno-ciencia-economía y afecta a los basamentos genealógicos, a la Tierra interior del hombre.
