### Descripción

Modesty Blaise ha pasado a la historia como la versión femenina de James Bond y un referente pop de los efervescentes años 60 que enmarcaron el Swinging London. La presente edición cubre tres de las etapas de mayor prestigio de la serie, las que fueron ilustradas por tres excepcionales dibujantes, todas ellas con guiones de Peter O'Donnell. La primera, de 1963 a 1970, contó con la pluma del dibujante inglés Jim Holdaway. Tras la muerte de éste, en 1970, la maestría del dibujante español Enric Badía Romero posibilitó que las tiras pudieran seguir publicándose, esta vez en el diario inglés Daily Express. La tercera etapa se compone de historietas dibujadas por John Burns.
