31 Mar 2017 . Justice League of America #3 is better than its previous issue, but don't get too excited because it's still far from great... or even good. Considering Orlando's previous work

with DC, I'm surprised at how disappointed I am with Justice League of America. Forgetting the fact that the roster of the team stretches.

26 Aug 2015 . If you've been worried about the pacing of Justice League of America, Bryan Hitch puts those pangs of anguish to bed immediately in this third outing with the JLA. Matt Lives Through The Last Days of American Crime (and an issue of JLA). September 3, 2015. If you show me a new-to-me book by most comic book writers, I can roughly guess how I'll feel about it before I ever crack the covers. Peter David on a mainstream super-hero book? I'll think it's breezy, largely forgettable.

29 Mar 2017 . Sometimes, you just want to read a superhero comic that turns the volume up to 11.
