It is generally agreed that Cervantes' pastoral novel La Galatea is his least fortunate literary
effort. Largely ignored by his contemporaries, the work has not fared much better in
subsequent centuries. Those of us who read La Galatea today tend to do it out of devotion to
Cervantes, or to seek for signs of the literary genius.

Unfortunately Cervantes' other works are often overlooked and characterized as inferior to his
masterpiece. While his other writings never gained the popularity of "Don Quixote," he did
author several other works that are worthy of consideration. Amongst these is the pastoral

romance "La Galatea." First published in 1585.

La Galatea was Miguel de Cervantes' first book, published in 1585. Under the guise of pastoral characters, it is an examination of love and contains many allusions to contemporary literary figures. It enjoyed a modest success, but was not soon reprinted; its promised sequel was never published, and presumably never.

La Galatea se suele clasificar como novela pastoril, pero es un vehiculo para un estudio psicologico del amor. Cervantes tuvo durante toda su vida un altisimo concepto de su novela y la intencion de publicar la segunda parte, pero murio sin haberlo hecho. Se ambienta en algun lugar -entre ideal y real- a orillas del rio.
